

Belfast Canoe Club

CLUB INFORMATION 2022

Northern Ireland charity number:
NIC104803

Our operations in 2022 will be centred on Meteor Waterski Club's facilities at Lough Henney, Bresagh Road, Lisburn. Storage for club boats and car parking are available on site. The lough offers clean, flat water for paddling all year round with a buoyed waterski slalom course 500m+ long which provides lanes ideal for sprint canoeing. We have unlimited access to the lough November-March. From April-October we have two sessions per week, Wednesday 7-9 and Sunday 1030-1230. The membership fee includes use of club equipment for these sessions. The club will also organise sessions and travel to competitions elsewhere in Ireland and GB at weekends. The club also has a high performance group who train more often: there may be a small additional charge for these sessions.

MINIMUM PADDLING STANDARD: To join our club, paddlers must be competent to swim with a buoyancy aid, have previous experience of kayaking, and be confident with support strokes. Paddlers who do not meet this standard must complete a beginners course before membership can be confirmed. All ages are welcome, but children under 12 years of age **must always** be accompanied by a parent **member** or older sibling member.

EQUIPMENT: The Club provides various types of kayaks, paddles and Buoyancy Aids, and spraydecks and helmets when required. In 'summer' conditions, paddlers should wear light clothing and footwear. Avoid Fleece and other thick absorbent clothing, and trainers with thick soles. Wetsuits are normally too hot for our activities in summertime. All paddlers **must** have a dry change of clothes including footwear and towel **available at all times** in case of capsizing. These should be securely stored inside a vehicle at the paddling site. Valuables should not be brought to paddling sessions: the Club does not accept any responsibility for personal property. **Kayaks and equipment are very specialised and varied and we do not recommend individuals purchase their own until they fully understand the differences.**

CLUB INFORMATION:

Belfast Canoe Club (BCC) has a proud record as the oldest canoe club in Northern Ireland. It was founded in 1960, and had major influence in the setting up and early years of both the Canoe Association of Northern Ireland (CANI) and the Irish Canoe Union (now Canoeing Ireland (CI)). BCC paddlers have had many international competitive honours with paddlers representing GB&NI, Ireland, and N.I. in the disciplines of Sprint racing (the Olympic discipline), Marathon racing, Slalom, Whitewater racing, and Whitewater Rafting. The club registered as a charity in 2016 with the particular objective of promoting canoeing, particularly competitive canoeing, in the Belfast Area. We are now actively recruiting both youth membership and adults with basic kayaking skills interested in competitive or recreational paddling. Since 2016 we have been the only club in Northern Ireland offering tuition in the disciplines of Sprint racing (the Olympic discipline), Marathon racing and Whitewater racing. Our qualified volunteer coaches include a 2018 Irish Champion, and 2 former International paddlers.

We also welcome those who wish to develop their skills to undertake canoeing as a purely recreational pursuit, particularly families, and encourage paddlers to obtain progressive awards and coaching qualifications.

The club uses a website, teamer.net, to communicate session details, etc with members.

Once registered, members can receive notifications of all sessions direct by e-mail and/or text to mobile phone. There is a free Teamer 'App' which gives instant notifications on mobile devices. Teamer notices for young people will always be sent to a parent's e-mail: they can also be received on a young person's phone/email if these details

are supplied. Please note once registered, teamer details can only be altered from the nominated e-mail/phone: club officials can only delete.

The Club also uses a 'closed' Belfast Canoe Club Facebook group page (members/parents are encouraged to join) and has a publicly visible Instagram account.

The Club has codes of conduct for Coaches, adults, and junior paddlers, and a code of expectations for parents of juniors. All members should read the appropriate code of conduct and accept it: parents should also read and accept the code of expectations for parents. All club policy documents and Codes of Practice can be found on our website www.belfastcanoeclub.org.

Data Protection: personal data will only be used as required to administer the Club and communicate with members. As part of our insurance cover all our members are required to be of the Canoe Association of Northern Ireland: we enrol all club members who are not individual CANI members as Affiliated members of CANI and are required to share members personal details with CANI.
